Scope and Responsibilities of the Committee

7. Remuneration

The committee shall:

- 7.1** Have responsibility for considering and recommending to the board the Trust's policy for executive remuneration, in accordance with the Department for Education's *Governance Handbook, Setting executive salaries: Guidance for academy trusts*, the *Academies Financial Handbook 2020*, the *Academies Accounts Direction* and any other relevant guidance.
- 7.2** Establish remuneration frameworks and policies that promote and support alignment with the Trust's long-term charitable aims and purposes, with any performance related pay schemes relevant and proportionate to the academy trust sector. Any proposals recommended to the Trust board must satisfy the Education and Skills Funding Agency's (ESFA) requirements of:
- Being agreed by the board in advance of any compensation;
 - Decided with independence and objectively, avoiding conflicts of interest;
 - Being robust in its application in light of the Trust's educational and financial performance as well as reflecting the level of challenge of each role involved;
 - Demonstrating value for money, being proportionate and defensible in terms of public sector pay;
 - Disclosing other commercial arrangements of executives in the annual reports and accounts as required in the *Academies Accounts Direction* and the *Charities SORP*;
 - Being fully documented;
 - Not outpacing the pay of teachers; and
 - Being aware of the ability of ESFA to challenge decisions
- 7.3** Design remuneration policies and practices to support strategy and promote long term sustainable success, with senior leadership team remuneration aligned to the Trust's charitable purpose and values, clearly linked to the successful delivery of the Trust's

long-term strategy, taking into consideration guidance from the Department for Education (DfE) and the Education and Skills Funding Agency (ESFA).

- 7.4** Determine senior leadership team remuneration policy and practices, with consideration to the DfE and ESFA requirements for pay to be underpinned by the Nolan Principles and:
- To be justifiable and in the best interests of the Trust;
 - Reflect the breadth and level of the individual's responsibilities; and
 - Demonstrate value for money.
- 7.5** Will scrutinise the pay recommendations annually for the Central Team, including the Chief Executive Officer, the Chief Operating Officer and the senior managers of the Trust (Head Teachers of the schools).
- 7.6** Not permit the executive or other senior staff member to be involved in any decisions as to their own remuneration outcome.
- 7.7** Determine the remuneration policy, taking into account all other factors which it deems necessary, including relevant legal and regulatory requirements, the provisions of DfE and ESFA guidance, including the funding agreement. The objective of such policy shall be to attract, retain and motivate executives of the quality required to run the Trust successfully without paying more than is necessary, having regard to the views of members, other stakeholders and the public sector market.

The policy should be robust in its decision-making processes, transparent, proportionate, reasonable and justifiable to all staff.

- 7.8** Review the ongoing appropriateness and relevance of the remuneration policy. The committee should undertake benchmarking exercises when reviewing its approach to executive remuneration. Where the Trust is an outlier in that benchmarking exercise, an explanation should be provided.

Where performance management and salary increases are deemed contentious, the decision-making argument supporting them must be justifiable.

- 7.9** Within the terms of the agreed policy and in consultation with the Chair and/or Accounting Officer, as appropriate, determine the total individual remuneration package of each executive staff member, including bonuses or performance-related payments. The choice of financial, nonfinancial and strategic measures is important, as is the exercise of independent judgement and discretion when determining remuneration awards, taking account of the Trust and individual performance, and wider circumstances.
- 7.10** Ensure increases are not awarded automatically but in line with clear, measurable key performance indicators and should not outpace teacher pay increases. Other factors that should be taken into consideration by the committee could include:

- Academic performance, including pupil outcomes and improvement (as identified in key stage indicators and Ofsted reports);
- Educational challenges facing the Trust (such as percentage of pupils identified as requiring SEND and/or free school meals, EAL pupils, local levels of deprivation and proportion of looked after children at the school);
- Financial performance (to provide for good and poor performance, flexibility in contracts to reflect those variables, levels of deficit/surplus and the auditor's view);
- Other challenges facing the Trust (uniqueness of the Trust's situation, significant concerns, the individual's role in delivering future plans, other accountabilities and local communications role);
- The experience of the individual, including qualifications; and
- The total cost of packages offered (including performance-related pay, pension contributions, salary sacrifice arrangements, any compensation for loss of office, other taxable benefits, non-taxable benefits only available to the executive team, and other remuneration such as car allowance).

7.11 Advise the Trust Board as to an executive's eligibility for either the Teacher's Pension Scheme or the Local Government Pension Scheme. It is for the Board to decide which scheme is most appropriate

7.12 Take into consideration the proposed remuneration's potential impact on long-term plans to approach ESFA for a loan or a Condition Improvement Loan, which could be adversely affected by remuneration levels deemed as 'Executive High Pay' by ESFA.

7.13 Have full authority to appoint remuneration consultants and to commission or purchase any reports, surveys or information which it deems necessary at the expense of the Trust after liaising with the Board and the Accounting Officer. However, the Committee should avoid designing pay structures based solely on benchmarking to the market or on the advice of remuneration consultants.

7.14 Review the design of all remuneration frameworks for the Trust, including any performance-related pay aspects. For any such plans, determine each year whether awards will be made, and if so, the overall amount of such awards, the individual awards for senior leaders, and the performance targets to be used.

7.15 Review workforce remuneration and related policies.

7.16 Work and liaise as necessary with other Board Committees.

8. HR

The Committee will appraise the efficacy of use of the Trust's HR systems and procedures and recommend as appropriate areas for future development.

8.1 The Committee will monitor staff turnover, patterns of absence and punctuality data within each school and make recommendations.

- 8.2** The Committee will provide members in respect of necessary appeals hearings for staff who have failed to satisfactorily complete capability or probationary targets (with the exception of the CEO).
- 8.3** The Committee will assist in discussions pertaining to restructuring and redundancy, assisting as necessary in creating a staffing committee for stated purposes.
- 8.4** The Committee will review or investigate any other matters in relation to staffing referred to the Committee by the Trust Board.

9. Staff Wellbeing

The Committee shall:

- 9.3** Oversee the range of professional development opportunities offered within each school and across the Trust, with a particular focus on cross Trust opportunities and make recommendations
